No. NRPC/ OPR/ 107/02/2013

108-114

Dated, the 16th January, 2013

To

Members of TCC from STUs and State Gencos  
(As per list enclosed)

**Subject:- Estimation of cost of rectification of deficiencies observed in the Protection Audit carried out by POWERGRID in association with CPRI**

Sir,

POWERGRID in association with CPRI has carried out protection audit at 132 nos substations/switchyards, including those belonging to STUs and State Generating companies. Recently in a meeting held in Ministry of Power it was desired that an estimate should be made of the cost likely to be incurred in rectification of defects observed during the protection audit. This estimate should not only include sub-stations/switchyards covered in the protection audit but all important sub-stations switchyards owned by STU or State Generating Company where similar deficiencies exist. For this purpose, a meeting will be held in NRPC Secretariat at 11.00 AM on 21.01.2013.

Kindly depute a senior officer familiar with the issue to attend the meeting. The officer should bring with him bill of quantities with sub-stations wise break-up.

Yours faithfully,

*P.K. Pahwa*  
(P.K. Pahwa) 16/1/2013  
Member Secretary

**Copy to :**

Director (Operation), POWERGRID with the request to depute a senior officer to assist in estimation of cost in accordance with discussion held in the meeting held in Ministry of Power on 14.01.2013.
